

# THE FIRST WORD

CELEBRATING THE LIVING WORD  
FOR A GROWING CHURCH.

APRIL 2021

## And now, what are we to do?

After Jesus ascended into heaven, my guess is the disciples looked at each other and said, “Where do we go from here?” As long as Jesus was alive, the disciples had one singular purpose, which was to follow Jesus. Now that Jesus was no longer leading the movement from a human standpoint, it meant things had to change. The followers of Jesus had to discern for themselves and the body of Christ what Jesus meant by “going and making disciples of all nations.” Matthew 28:19 Imagine all the excitement the disciples must have felt about the possibilities of this movement, especially after experiencing the Holy Spirit work on Pentecost and yet the fear of failure, persecution, and the movement becoming irrelevant without Christ being physically present.

Something tells me that when the disciples gathered, they did not just talk about their fears after Christ’s death on the Cross, but also about how they envision the work of God moving forward. I am sure some thought it would be prudent to stay in Jerusalem and concentrate on developing a strong base before branching out, while others felt that

the urgency to share the Gospel meant they had to learn on the go-literally. We know from several of the New Testament letters that the disciples and even church communities did not always agree on the best course of action. What kept the early church together and even to this day is not unity of thought, but instead love for God and the desire to be in fellowship with one another.

We, as a church body, have similarly experienced a lot of anxiety over this past year as not only our normal lives but also the traditional church experiences we value so much were thrown into chaos by the Covid pandemic. At times, it has been easy to be united as the body of Christ because when the disease was hitting close to home, we had a common concern for ourselves and our neighbors’ well-being. However, now as the present covid danger seems to be somewhat mitigated by vaccines and better covid chart numbers, we find ourselves in different places on our comfort level in returning to our daily tasks.

We are truly blessed here at First Lutheran to have people with such varied backgrounds that bring about

a vast array of wisdom. Some of our sisters and brothers see this as a great time to boldly reach out to the community and gather new people into our fellowship, while others still feel we should be more methodical and cautious in our approach to gathering. Both of these perspectives are valid and faithful. First Lutheran’s church council and I are trying to do our best to prayerfully lead this congregation as we strive to seek what God would have us to do at this present moment.

What I ask from you is that you might continue to keep First Lutheran and its leaders in prayer and that you continue to be understanding of the challenges we have ahead of us just as you have been doing for the past year. Though we might not always agree wholeheartedly with the process, let us remind ourselves we are united in the common goal of striving to love the Lord our God with all our heart and mind, and love our neighbors as ourselves.

Pastor Ian B. Reid

## FROM YOUR COUNCIL PRESIDENT -

As described in last month's newsletter, your church council is transitioning to a new committee structure to become more efficient in addressing the needs of our church. During our March council meeting we finalized the following council member committee assignments for this year:

Mutual Ministry – Jim Hamric and Ryan Lowers,

Worship & Music – Jarad Ice and Mary Lewis,

Property – Tom Curry and Brian Nokleby,

Outreach – Gerry Kohler and Carol Petersen,

Education – Robyn Rice and Lisa Hutzler,

Finance – Lisa Martin, Emmie Martin, and Doug Woolley (ad-hoc).

During this next month, the committee leaders will be working on their charters and identifying members of the congregation who can assist in each area. Some committees already have dedicated people performing the needed tasks, while other committees may need to ask the congregation for some help. We have lots of work to do, and we will need VOLUNTEERS to assist. If you are asked to volunteer, please pray about joining together with several others to help out. I will continue to provide updates on council's progress as we get these committees up and running.

In reviewing our February financial report, council found that our monthly expenses were higher than

predicted while monthly income from offerings was down, putting us about \$9,661 in the red for February. Please continue to faithfully support the work of your church with your offerings as you are able. Council reviewed the current COVID numbers, which show Wood County has currently returned to green status (the lowest category of spread). We will continue to follow CDC guidelines of masks and social distancing while inside our facilities, but we are also restarting in-person group activities such as adult and children's Sunday School, Women's Bible Study, Tuesday morning Men's gathering, and in-person council meetings. Hymnals have been returned to the pews, and the choir is singing. It certainly feels great to be safely worshipping and fellowshiping in-person once again! Council has decided to postpone reopening the nursery, and has not yet given the OK for any event where food is served (i.e. - Lent dinners and Easter breakfast). In Property Committee news, we are excited to announce that refurbishment of our front Sanctuary steps and sidewalks will begin soon. A contract for \$9,900 was signed with a local company, Plumb Level Services, to do Phase 1 of a 4-phase project. Phase 1 involves complete replacement of the steps and sidewalks for the Parsonage side entrance. This is where one step has already caved in, creating a safety issue. Work will begin the week after Easter, at which time this side entrance to the Narthex will be blocked off. Once this first phase is completed, we will need to kick off a fund raiser for the

remaining phases of the project, and a special congregation meeting will be needed to approve the \$27,000 additional cost. In other council business, we heard a report from the Music staff and Pastor on ideas for re-starting two services for the summer. Two services are planned for Easter Sunday due to social distancing, after which we will continue with one Sunday service during month of April. In May we plan on returning to two Sunday morning services and will also have a celebratory reopening of the Holy Grounds Café outside, weather permitting! Stay tuned for more details. Council hopes each of you has been able to participate in the meaningful Lent activities and services being offered by your church. Have you had the opportunity to follow Pastor Ian's stories of his journey to the Holy Land which he has been giving weekly on Facebook Live? Speaking of our beloved Pastor, don't forget that April 6<sup>th</sup> is his birthday (and the number "40" pops into my head for some reason)! How many of you have tried the weekly soup recipes that have been shared in lieu of our Lent dinners? I think we are blessed with some excellent cooks in our congregation!

Your Church Council is always open to hearing any questions, comments, ideas, or concerns from the congregation. Please feel free to contact myself, Pastor Ian, or any Council member.

Yours in Christ,

Doug Woolley

### Food Pantry News:

We thank you for your support of the “souper bowl” competition. You surpassed any goals that I could have imagined. Congratulations to the North End side of town on your victory! The church food pantry is doing well. We appreciate the response of our members in stepping up to help in the pantry. Thank you to Mrs. Nenow and Mr. and Mrs. Lee Peterson. Many thanks to all that volunteer on truck day.

We do expect our client numbers to temporarily be reduced due to income tax returns and government stimulus funds. I believe our numbers could be reduced by 20% for about 4-5 weeks. That is what we experienced last March and April. But, I could be wrong. We never know how many people will need our help weekly. Most of our clients are low in the poverty levels and do not file federal taxes and some do not receive stimulus checks due to many reasons.

If you have any thoughts of wanting to volunteer, this would be a great time for orientation and meeting the other volunteers during the slow days. Come to the pantry on Tuesday or Wednesday from 9:30-11:30am .

I will continue to manage remotely for awhile. The pantry staff is doing a terrific job of taking care of our clients and their needs. Their love and concern for others is amazing. I saw a client at the grocery store and she told me she referred two families to our pantry and wanted to know if that was ok. I told her that it was fine and the staff would take good care of them. She said that she told them to go to First Lutheran Church, because, “They Care!”

In Christ,  
Susie McNemar

Food Truck Day

Volunteers always welcome!

## Community Garden April 2021

If you have looked around the church grounds lately you may have noticed some signs of life at the community garden beside the parking lot. Yes, March weather has been finicky, as usual, but work is getting done. The main tasks so far are to clean up some of the area and get a jump on weeds here and there. Much of the planting area has been tilled, and we are in the process of getting beds ready for seeds and plants. The garden date for Becca's MOPS group was postponed to Friday, March 26 at 10AM, and we plan to have a work party Saturday, March 27th from 10-12N.

In addition to continuing the clean-up and organization effort over the next few weeks, we need to get some things planted. Right now we can plant onions, carrots, lettuce, peas and cabbage. We have some "home-grown" cabbage plants to put out, and will be using seeds for peas and carrots. There is always work to be done in a garden, but it can be cathartic after a year of quarantine. Extra hands also make the tasks easier (and more fun)! Feel free to come join the effort on any work day listed below, or any other day you feel so inclined. See you there!

Scheduled garden work days:

March: 26 (MOPS), 27th, both 10 am -12 N

April: 17th, 24th, both 10-12

May: 8th, 22nd, both 10-12

*For the time being, additional work days and times will be announced to all those interested using email, text, or phone. If you are one of those who wants to help or just wants to know what's going on, please send us your contact info using your favorite means of communication. Emails can go to the church office (flcsec@yahoo.com) or to Mike Lockney (mlockney@outlook.com). If you'd rather get a text or a call, send your contact number to Pastor Reid or to Mike Lockney at 304-615-3981. We'll let you know when work is planned. There will also be occasional planning meetings, for now using Zoom. All are welcome to be part of this "growing" experience!*

## LUTHER GOLF LEAGUE

The Luther Golf League will once again be held at the Worthington Golf Course located on 3414 Roseland Avenue in Parkersburg. We plan to start the 2021 season on Monday, May 3<sup>rd</sup>, at 5:00 pm. The fee is \$14 and that includes half a cart.

We are not sure about having designated games each week. If we do, every player would need to put \$2.00 in the pot to be included. Each week we would have two holes with skill competitions. Winners would split the pot for that day. If anyone is willing to organize the skills competitions please contact Cindy Lockney (304-615-3231), Andrea Brock (304-485-5162), or Lori Butler (304-481-4765) before May 3<sup>rd</sup>.

The potluck dinner we normally have to kick off the season will not be held this year. If the COVID situation improves we may organize an end of season event. We need contact info from all wishing to play in the league. Be sure to fill out the form and return to church either by dropping it in the offering plate or bringing it on Monday, May 3<sup>rd</sup>. The season will end September 27<sup>th</sup>. There will be no league play on Memorial Day or Labor Day. July 4<sup>th</sup> is to be decided. Contact info is needed to inform everyone if golf is canceled due to inclement weather.

Skill level is not important! This is time for fun and fellowship! Bring a friend! Looking forward to a great season!
